

Independent Voters of Illinois- Independent Precinct Organization 2004 MWRD COMMISSIONER CANDIDATE INSTRUCTIONS

In order to be favorably considered for an IVI-IPO endorsement, you should follow these instructions carefully.

IVI-IPO is widely recognized as having one of the most comprehensive issue questionnaires. We often receive requests from reporters who use candidate responses as background material for their stories. All or part of your questionnaire also may be posted to our web page. We hope you will consider this in completing your questionnaire and provide us with thoughtful, thorough responses.

Please be sure to complete the contact information and the 10 background questions in Section 1, as well as the numbered questions specific to the office you seek in Section 2.

MOST QUESTIONS CAN BE ANSWERED SIMPLY YES OR NO. Feel free to explain your answers in greater detail if you wish. **Your responses should include both the questions and the answers; otherwise, the reader will be confused.**

Your completed questionnaire, in Word format, must be submitted to our office by email by Friday, January 16, 2004. Please call our office if you did not receive the questionnaire electronically and we will email it to you.

You also will be asked to bring 20 copies of your completed questionnaire to the interviewing session. **You must provide hard copies of your questionnaire.** IVI-IPO will not make copies of your questionnaire for you.

Prior to the final endorsement, completed questionnaires will be available for review only by IVI-IPO members. Candidates, even if they are members, will not be able to view their opponents' responses until after the interviewing session. After an endorsement has been made, completed questionnaires will be available for review by members, candidates, the press or the public.

THE INTERVIEW

Candidates for each office are interviewed separately and consecutively by IVI-IPO members residing in the affected electoral district. Each candidate will make a brief presentation, followed by questions from our members. The allowed time in your race will be determined by the chair of your endorsement session.

Although every effort will be made to accommodate your personal schedule, the dates for the sessions are fixed, and it is not always possible to give each candidate the time slot of his or her choice. If you are unable to attend, you may send a surrogate to make a presentation and answer questions on your behalf.

Candidates may not be present for their opponents' interview, nor for the deliberations of members. With those exceptions, the entire interviewing process is open to the public and the press.

After candidates for an office have been heard, the members will evaluate each candidate on the basis of agreement with IVI-IPO positions, past record (for incumbents), political independence, and campaign viability. A vote will be taken to endorse one or more candidates or to make no endorsement. A 3/5 vote of a quorum of eligible members present is required to make a final endorsement of a candidate. If either the quorum or the 3/5 majority requirement is not met, the vote is a recommendation to the IVI-IPO Board.

REVIEW BY THE BOARD OF DIRECTORS

The IVI-IPO Board will meet January 28 to consider recommendations from the interview sessions. Candidates do not make additional presentations at this time. Board members will receive reports from the interview sessions, review the questionnaires, and vote to accept or reject the membership recommendation.

AFTER THE ENDORSEMENT

All candidates who appeared for an interview will be notified by mail or email of the endorsement decision. IVI-IPO will arrange a press conference to announce our endorsements. The Independent Campaign Committee (ICC) will work with IVI-IPO supported candidates to distribute literature, get press coverage and mobilize volunteers.

If you have any further questions, please contact our office at 312-939-5105. We wish you good luck in your endorsement application and in your campaign.

IVI-IPO 2004 WATER RECLAMATION DISTRICT QUESTIONNAIRE – Section 1

DATE _____ **PARTY:** _____

- I)** What is your campaign budget? How much have you raised to date?
- J)** How many people are on your campaign staff? How many volunteers are on your list?

IVI-IPO 2004 WATER RECLAMATION DISTRICT QUESTIONNAIRE – Section 2

1. Should the Water Reclamation District be a separate special government unit or should it be subordinate to the County Board?
2. Should Commissioners be elected
 - a. at-large?
 - b. by district?
 - c. by cumulative voting?
3. Do you have a business relationship with any entity doing business with the MWRD or other governmental bodies in Cook County?
4. Will you accept or have you accepted campaign donations from current or potential suppliers or employees of the District?
5.
 - a. In what circumstances should the District contract for outside professional services?
 - b. In what circumstances should competitive bidding for contracts be required?
 - c. Please comment on any existing abuses.
6. Should MWRD tradespersons be paid the prevailing wage rate?
7. Do you favor permitting MWRD employees to hold other public sector employment concurrently?
8. Do you favor permitting MWRD employees to have outside employment or contracts with entities which do business with the district?
9. Is the District in good financial condition? Please comment on both expenditures and sources of revenues.
10.
 - a. What should be the MWRD's role in policy on lakefront, riverfront and canal development?
 - b. What responsibility should it have for planning or monitoring such development?
11.
 - a. Do you support public access to the Chicago River and should access be a priority for the MWRD?
 - b. Do you support the recent agreement between the district and the property owners on the north branch of the river?
12. Are present systems for monitoring and eliminating water pollution from industrial and domestic waste adequate and appropriate?
13. Should the MWRD assume responsibility for solid and other wastes in addition to its current responsibilities to prevent water pollution? If so, what should be the scope of the responsibility and how should it be exercised?
14. How do you propose to address issues of flooding and pollution before TARP is completed?
15. What precautions, if any, do you believe should be implemented to protect the environment surrounding the TARP waste water reservoirs?
